

**PUBLIC WATER SUPPLY DISTRICT NO. 1 OF RALLS COUNTY, MISSOURI**

**REQUEST FOR QUALIFICATIONS  
PROFESSIONAL ENGINEERING SERVICES**

The Public Water Supply District No. 1 of Ralls County, Missouri, requests qualifications for design and construction services to assist in a sewer system improvement project to be financed with ARPA, CDBG, USDA, or DNR/SRF grant funds. The project currently contemplated by the District includes improvements to the sewer collection and treatment system at its Norwoods WWTF.

Information provided to the District must include:

- a) The specialized experience and technical competence of the firm with respect to sewer system improvements or related work;
- b) The capacity and capability of the firm to perform the work in questions, including specialized services, within a period of twelve months;
- c) The past record of performance of the firm with respect to such factors as control of costs, quality of work, and ability to meet schedules;
- d) The firm's proximity to and familiarity with the area in which the project is located; and
- e) References from previous clients of related work with the firm within the past five years.

The firm will be selected based on the above qualifications. Once the most qualified firm is selected, a cost for design and construction services will be negotiated.

The ability to begin work immediately plus (c) above shall receive primary consideration. Solicitations from WBE/MBE firms are invited and encouraged.

Responses shall be submitted in writing (six copies), in a sealed envelope, delivered to Tyler Stuhlman, Local Manager at 3316 Market Street, Hannibal, Missouri 63401, with the outside of the envelope clearly marked "STATEMENT OF QUALIFICATIONS". The District reserves the right to reject responses it receives after 4:00 PM on June 21, 2022. The District will open and review the responses and review them at a time convenient for District personnel. Any questions may be directed to Tyler Stuhlman, Local Manager, at 573-221-6615.
